## 4-WAY TEST ESSAY

One of the most widely printed and quoted statements of business ethics in the world is the Rotary “4-Way Test.” It was created by Rotarian Herbert J. Taylor in 1932 when he was asked to take charge of the Chicago-based Club Aluminum Company, which was facing bankruptcy. Taylor looked for a way to save the struggling company mired in depression-caused financial difficulties. He drew up a 24-word code of ethics for all employees to follow in their business and professional lives. The 4-Way Test became the guide for sales, production, advertising and all relations with dealers and customers, and the survival of the company was credited to this simple philosophy.

The 4-Way Test is: “Of all the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?”

Write a 500-word minimum essay detailing how you incorporate these principles in your life. The essay must be typed in 12 point font and double spaced. (no more than 2 pages)

Essays will be evaluated on your explanation of how you are incorporating the 4-Way Test in your daily life. As part of your essay, please share any conclusions you may have reached.

In addition, at the end of your 4-Way Test Essay, please write a paragraph explaining why you deserve to receive this scholarship.
